

## 12 hour Paediatric First Aid (PFA) Level 3

This course must be completed with some element of practical face to face classroom training with a qualified instructor. Either a blended course where half is completed online, or 100% classroom training with adequate training equipment for each learner (adult, child, infant manikin)

This course meets and exceeds the syllabus of the Early Years Foundation Stage (EYFS) and meets the full requirements of Ofsted for the Compulsory Childcare Register.

This course is mandatory for all childminders or those working alone on the compulsory Ofsted register.

This course is a minimal requirement for at least one first aider, who is available at all times that children are cared for, either on the childcare premises, and visits or outings. Periods of absence or holidays cannot be covered by staff who hold the 6-hour emergency paediatric first aid course.

For a setting to apply for the Millie's mark award all members of staff are required to hold this course qualification.

**SIMPLE SKILLS SAVE LIVES**
